

OPA! SOUVLAKI FRANCHISEE TESTIMONIALS

We bought our first franchise at Marlborough Mall in Calgary in 2006. We loved it so much, that we bought a second OPA! at Shepard Centre in Calgary in 2008 and a third OPA! in Airdrie in 2009. We recently sold our Marlborough location to a relative and we even recommended OPA! to our cousin, who now owns an OPA! in Calgary and is looking for more locations.

We would recommend OPA! to anyone.

We joined OPA! because of the strength of the OPA! brand in Alberta plus the fact that OPA! has fantastic tasting great food. We recognized that the Mediterranean food category is a growing segment and is a healthy alternative to other food choices in the market.

We own several OPA!'s in the Edmonton area starting with Whyte Ave in 2004; West Edmonton Mall in 2007; and we have just opened in Southgate Mall in August of 2009. The day that we opened Southgate Mall, we had a line up all day and the first day sales exceeded our wildest expectations and were in excess of \$7,200!!

OPA! is a great franchise for anyone looking for a great business opportunity.
